# Shodair Children's Hospital

## Montana's Children's Miracle Network Hospital

Children's Miracle Network Hospitals' mission is to raise funds and awareness for kids being treated at one of the 170 children's hospitals across the United States and Canada. Countless individuals, organizations, programs, and media partners unite with Children's Miracle Network hospitals to help kids in their local communities, and it's almost always a dollar at a time! Donations to Children's Miracle Network (CMN) create miracles by funding medical care, research, and education that saves and improves the lives of millions of children each year.

Shodair is proud to have been designated as Montana's only Children's Miracle Network Hospital. Being a Children's Miracle Network Hospital means Shodair has the privilege of partnering with some of the nation's largest businesses, corporations, and programs, which are annually committed to raising awareness, access, and funds for Children's Miracle Network Hospitals throughout the year - normally one dollar at a time! Donations made during CMN fundraising efforts in Montana come directly to Shodair, which helps its children receive not only much needed care, but the best care possible.

For more information about Children's Miracle Network giving, please contact Pam at (406) 444-7560 or via email at [pmcdaniel@shodair.org](mailto:pmcdaniel@shodair.org).
